

GROWING YOUR PRACTICE WITH CLEAR ALIGNERS

COURSE OBJECTIVES

- Identifying and diagnosing malocclusion
- Patient education
- Managing orthodontic treatment remotely
- Case reviews

LEARNING OBJECTIVES

- Identifying candidates for clear aligners
- Talking about clear aligners with patients to foster more patients electing to receive treatment
- Exploring the causes of occlusal trauma leading to crowding and malocclusion: improper arch form, improper arch width, and improper buccolingual inclination
- Educating patients regarding occlusion's impact on their oral health

SPEAKER: Ben Miraglia, DDS

Dr. Miraglia has been practicing dentistry in Mt. Kisco, New York, for 30 years, including 20 years of early jaw growth and development for kids. He is widely recognized for his lectures and continuing education courses focusing on clear aligner therapy and craniofacial growth and development related to sleep-disordered breathing.
