

CAD/CAM DENTISTRY DISCOVERY EVENT

HANDS ON Integration on Digital Impressioning and CAD/CAM Technology.
Taught by some of the most experienced and successful CAD/CAM Dentists in the state.

Thursday, March 21, 2019 | 6-9pm | Dinner Provided

Gladden Farms Family Dentistry | 13455 N. Lon Adams Rd., Marana, AZ 85653

YOU AND YOUR STAFF ARE CORDIALLY INVITED TO OUR CAD/CAM DISCOVERY LUNCH!

DESIGNED TO EDUCATE DENTISTS ON CAD/CAM TECHNOLOGY. HANDS-ON TRAINING WITH THEIR OWN DIGITAL IMPRESSIONING SYSTEM FOR THE EVENING

Introduces dentists to the digital workflow:

- Scanning
- Designing
- Milling
- Characterization (Stain and Glaze)
- Digital Laboratories

Taught by some of the most experienced and successful CAD/CAM industry experts in the state.

A great opportunity to learn about the technology & how it would integrate into your practice.
