

# BIOCLEAR

Powered by **3M** | Oral Care

## The art and science of a great restoration

Attend an upcoming Bioclear™ event

### Bioclear™, powered by 3M Oral Care

A revolutionary approach to composite restorative dentistry.

- ✓ Achieve beautiful, transformative results — consistently and predictably
- ✓ A straightforward, standardized five-step process with trusted materials like 3M™ Filtek™ Restoratives
- ✓ For esthetic treatments like diastema closure, black triangle closure, Class II, III and IV composite restorations
