

# DSX - SureSmile® Clear Aligners

The Dentsply Sirona Experience is a small peer-to-peer experience delivered by CDOCS Mentors, trained in digital workflows, to provide hands-on demonstrations and personal experiences on how integrating digital workflows can support practice growth.

## DSX SureSmile® Clear Aligners

During this interactive event, learn how SureSmile® Clear Aligners and Primescan™ Digital Imaging can elevate digital dentistry in your practice, enhance the patient experience, enable practice expansion and improve procedural efficiency.

This 2-hour event will include a light dinner and refreshments, followed by a brief presentation and in-depth hands-on experience using Dentsply Sirona technology to see the true benefit of incorporating digital workflows in your practice.

### Here is a sample of what your evening will look like:

- 5:30-6:00pm - Arrivals, Welcome and Dinner
- 6:00-6:30pm - Digital Impressions Presentation and Demo
- 6:30pm-8:00pm (estimated) - Focused Demonstration for SureSmile® with Primescan™ hands-on experience
- 8:00pm (estimated) - Wrap-up

## Event Objectives

- Discover the power of clear aligner therapy
- Understand the capabilities of a fully digital workflow
- Learn how the SureSmile® Clear Aligner platform can fuel practice growth
