

KATANA™ ZIRCONIA BLOCK: Best Practices

Kuraray Noritake and Patterson Dental are excited to offer this the opportunity to learn more about KATANA™ Zirconia Blocks. At this event you will meet your KATANA™ Trainer and more of the team available to support you. Your KATANA™ Trainer is Jean Chiha. He will be the primary presenter at this event. At this event, you will learn:

- KATANA™ Zirconia physical properties and characteristics in comparison with competitor blocks.
- Milling & sintering
- How to polish and glaze
- Recommended cementation technique

Jean will show you how beautiful chairside zirconia can be! He will also educate you how to quickly and easily integrate this breakthrough solution for chairside CAD/CAM!

PLEASE RSVP ASAP! LIMITED SEATS!

Venue:

Perks: Dinner Included!

When: October 22nd, 2019, 6:30pm - 9:00pm

Where: Gladden Farms (Family Dentistry)
13455 N. Lon Adams Rd.
Marana, AZ 85653
(650) 348-3391

Speaker:
Jean Chiha, CDT

Mr. Chiha is the Owner of North Star Dental Laboratory and Milling Center, Santa Ana, CA, and has served as President of the DLOAC since 2013. He is a 1985 graduate of Institut Dento Technic, a private dental technology school in France. Mr. Chiha lectures internationally on dental communication and case planning. Jean lectures around the world on a variety of topics and has carved out a niche with his extensive knowledge of zirconia. Affectionately referred to as "Mr. Katana" due to his involvement in the creation of the material.
