

# GUIDED IMPLANT PLACEMENT WITH HANDS-ON (8CE)

Friday, March 28th | 8-4pm | \$799 (Lunch provided)

Patterson Dental - 2240 W Broadway Road - Suite 110, Mesa, AZ 85202

Register with QR Code or at [www.PattersonDIOcourses.com](http://www.PattersonDIOcourses.com)

## Overview

The most comprehensive course available, covering an extensive range of topics. You will achieve mastery in implantology, as the class enables you to place up to 14 implants. An impressive 95% of past attendees state they are ready to place implants and successfully integrate implants into their practices on the very next day.

Experience a dynamic learning journey through didactic sessions, interactive discussions, and practical hands-on exercises. These activities will provide participants with profound insights into the principles, techniques, and clinical applications of the DIONavi digitally-guided dental implant system.

The course delves into various aspects of guided implantology, encompassing single and multi-unit placement, immediate loading, and edentulous case management. Recognizing the significance of upper arch implant placement, we also offer in-depth training on flapless sinus lift procedures.

The unmatched precision of the DIONavi system ensures predictable and comfortable procedures. Moreover, upon successful completion, you will be listed on the DIONavi doctor locator, facilitating patient referrals to your practice.

## FOUR TOPICS. ONE DAY

**Single Placement**

**Flapless Sinus Lift**
