

# EXPERIENCE SOLEA HANDS ON

Learn how Solea, the number one selling all-tissue laser, can transform your practice.

## WHY ATTEND?

During this hands-on educational course, experienced Solea users will discuss how this laser enables reliably anesthesia-free and blood-free dentistry and will walk you through clinical cases highlighting how Solea can be successfully used for cavity preps and in various oral surgeries. **Solea Sleep**, a simple treatment for snoring, will also be reviewed. Solea enables:

- » Increased new patient flow because of exceptional patient experience
- » Improved clinical outcomes
- » Increased efficiency through time savings
- » New, higher revenue procedures, including the **all-new Solea Sleep**
