

# JOIN PATTERSON DENTAL FOR A TECHNOLOGY NIGHT OF HANDS ON LEARNING

## YOU'RE INVITED!

Tuesday, June 15th, 2021  
6:00 p.m. – 8:00 p.m.

3D INFusion  
2174 E Williams Field Rd, Ste 200, Gilbert, AZ

### Learn how to bring technology into your practice and bring treatment to life!

Preferred by both doctors and patients, digital technology can enhance your practice by reducing costs, increasing case acceptance and improving the patient experience.

#### Join us and you'll learn:

- Start to finish implant planning by utilizing the Sirona conebeam and Cerec technology
- How to process files/models that were obtained from intraoral scanning
- How to choose the right 3D printer for your practice and how to print models and surgical guides
- How digital technology will improve your life and your patients.
